

HOW-TO-USE THE READY-TO-GO TOOLKIT ON CANVA

ACCESS THE SIGNAGE AND COMMUNICATIONS TEMPLATES IN THE PDF

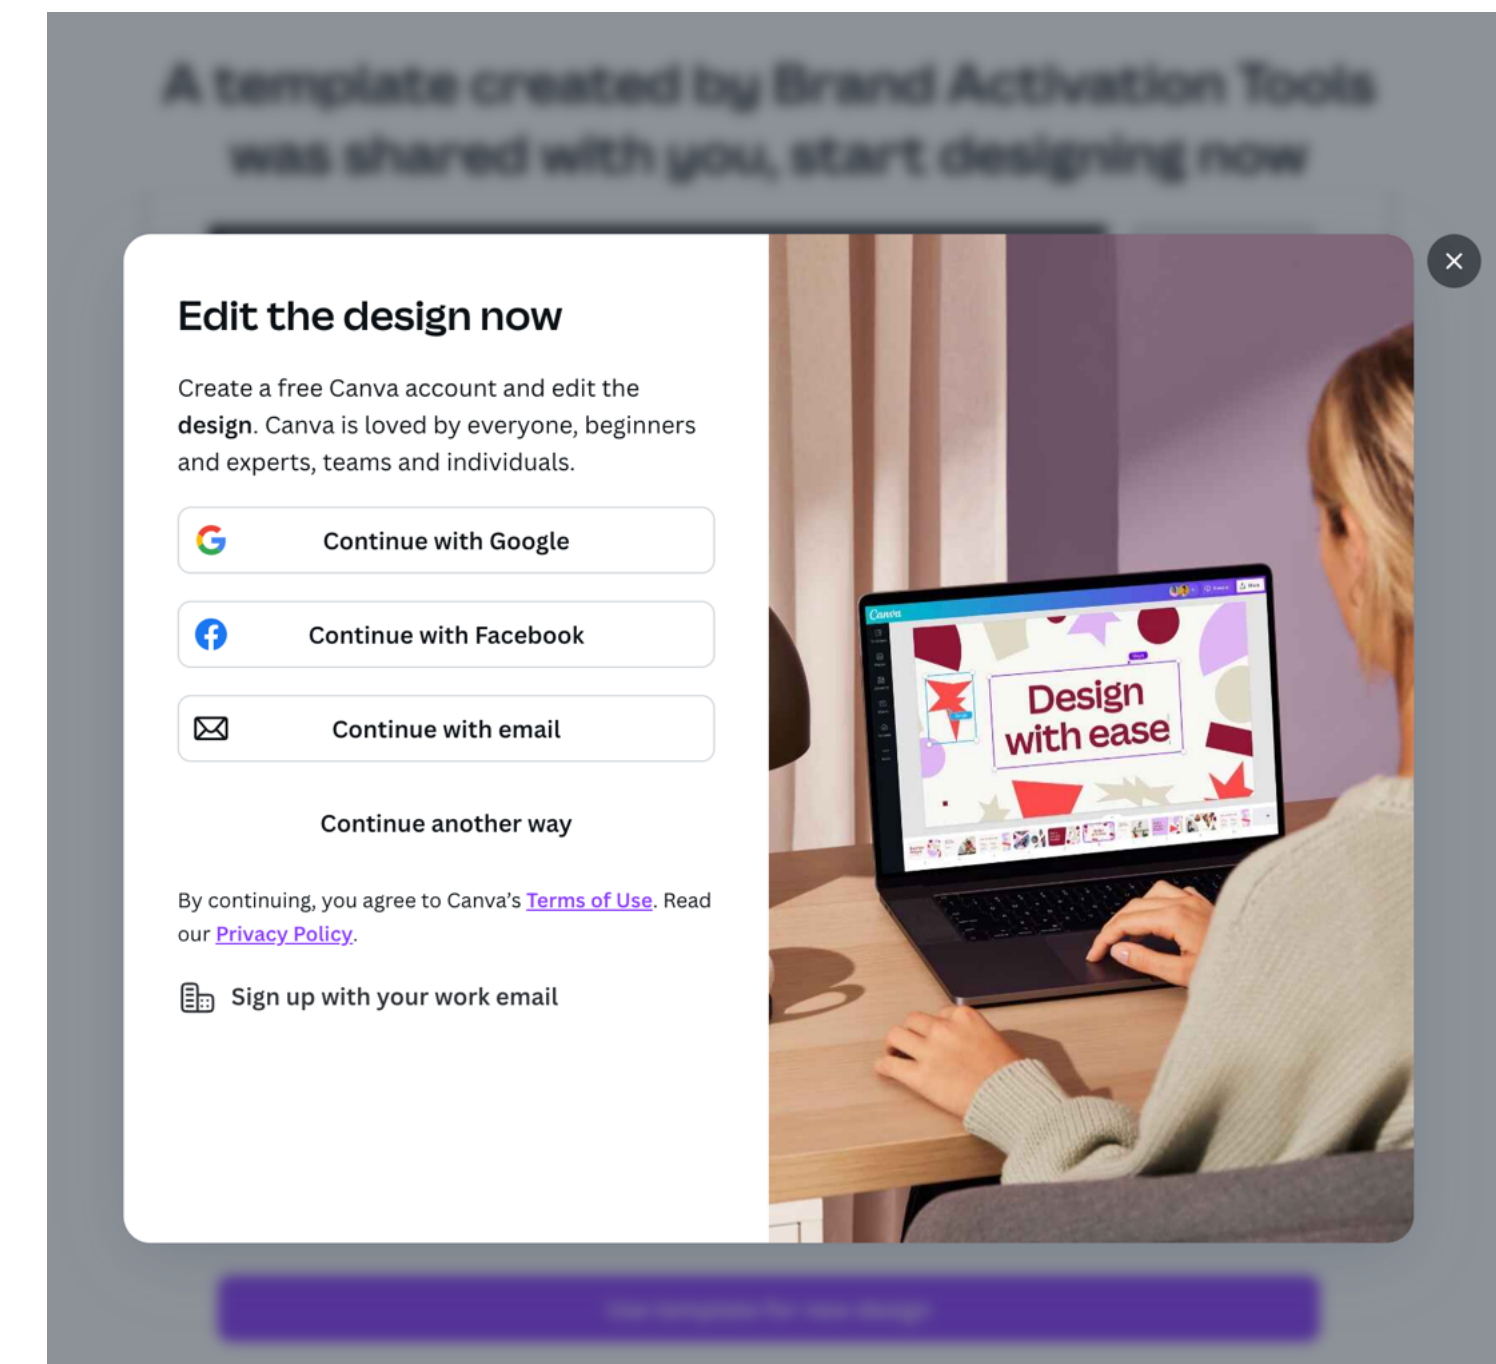

A template created by Brand Activation Tools
was shared with you, start designing now

Step 1

Select “Use template for a new design.”

The links in the back of the kit will direct you to the above page.

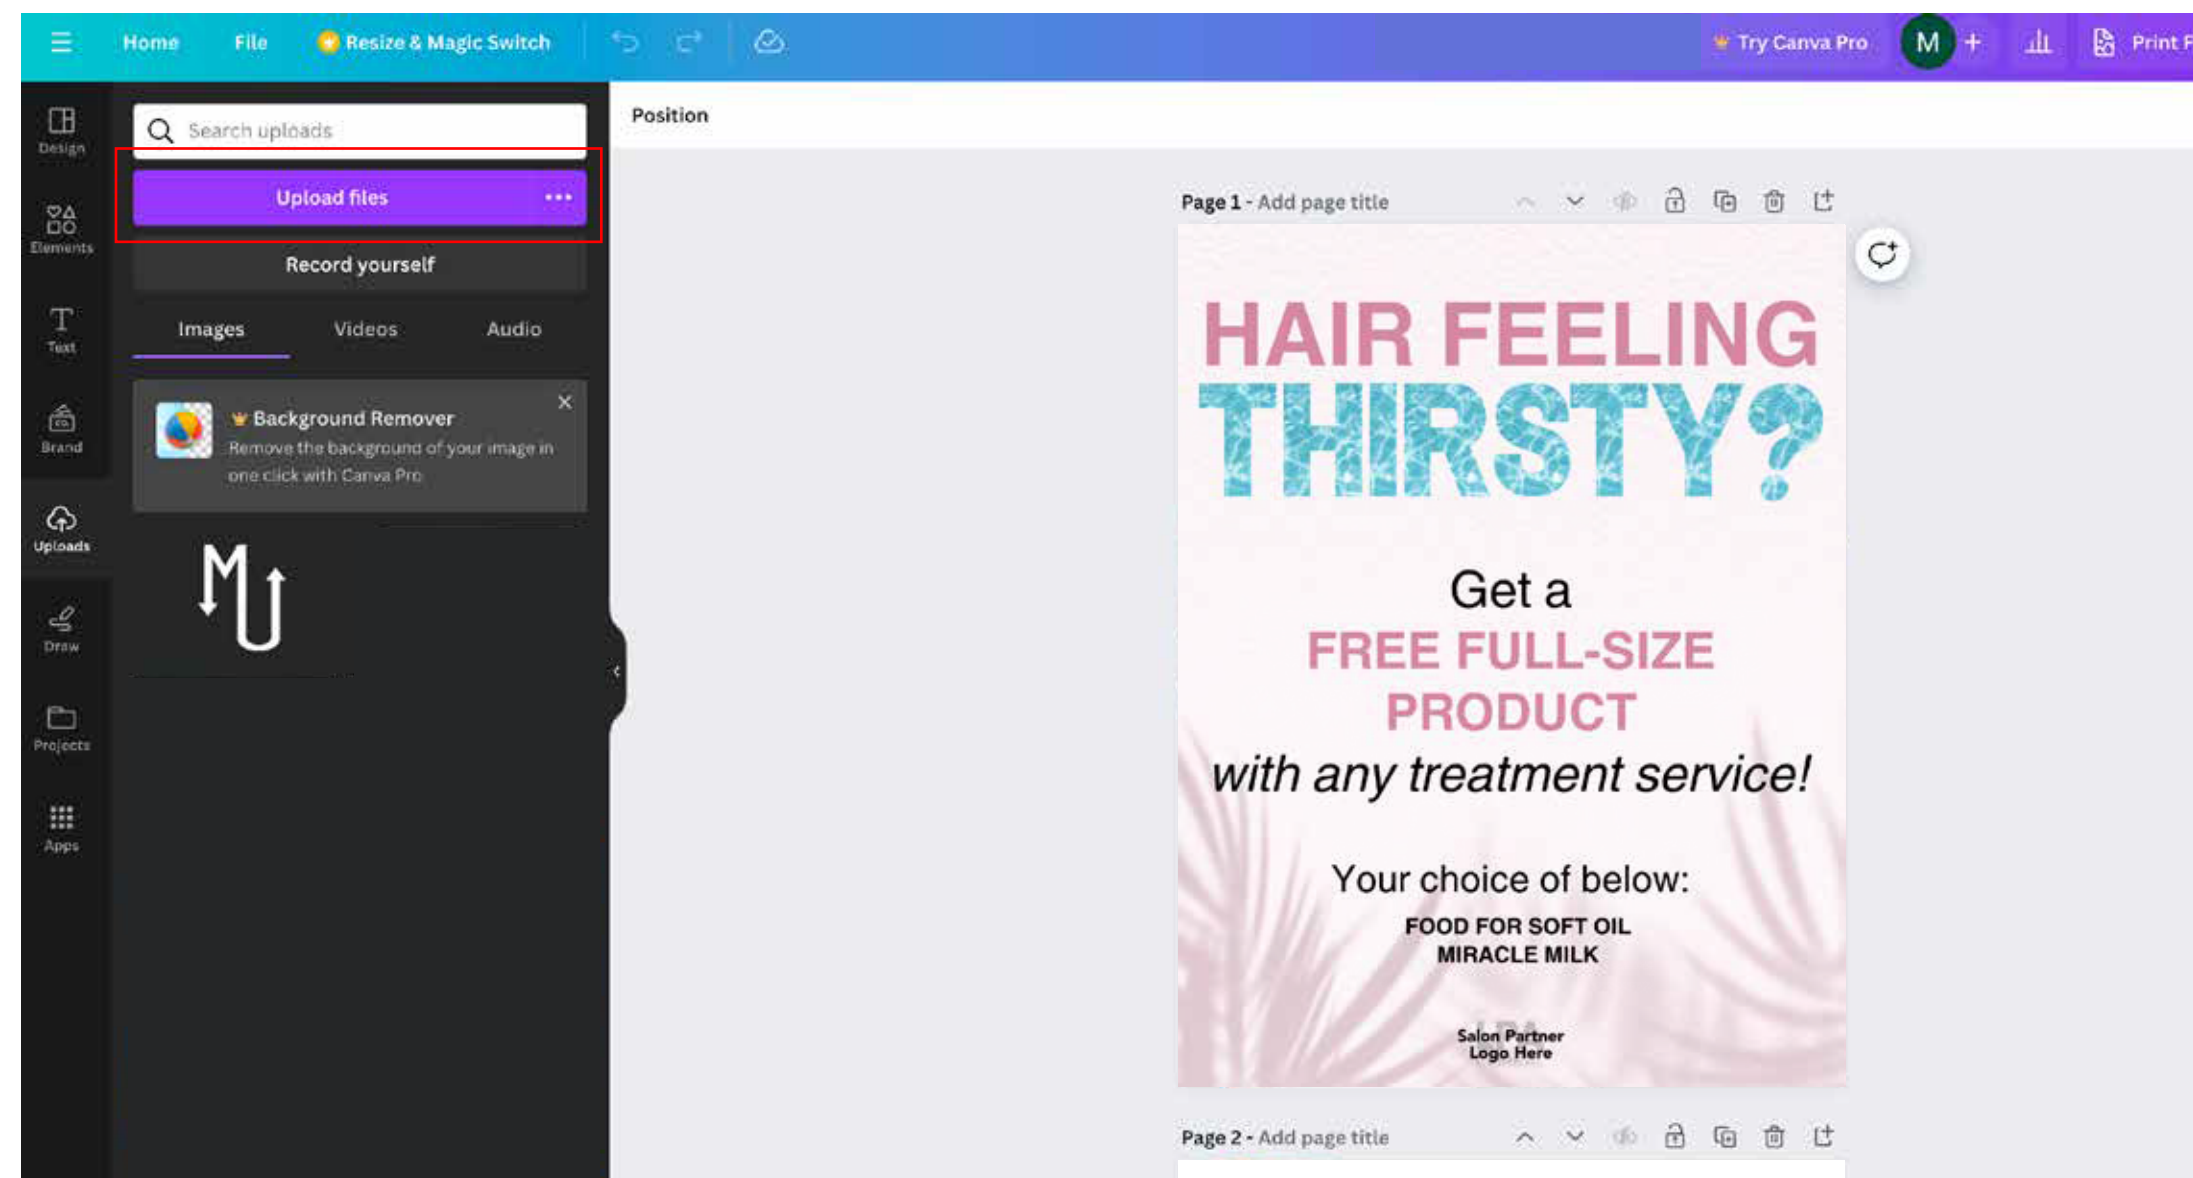

Step 2

Login to your Canva account
or sign up for a free account.

Step 3

Everything is customizable. For example, to update your logo, select “Uploads” on the left menu and select “Upload files” to find your logo on your device.

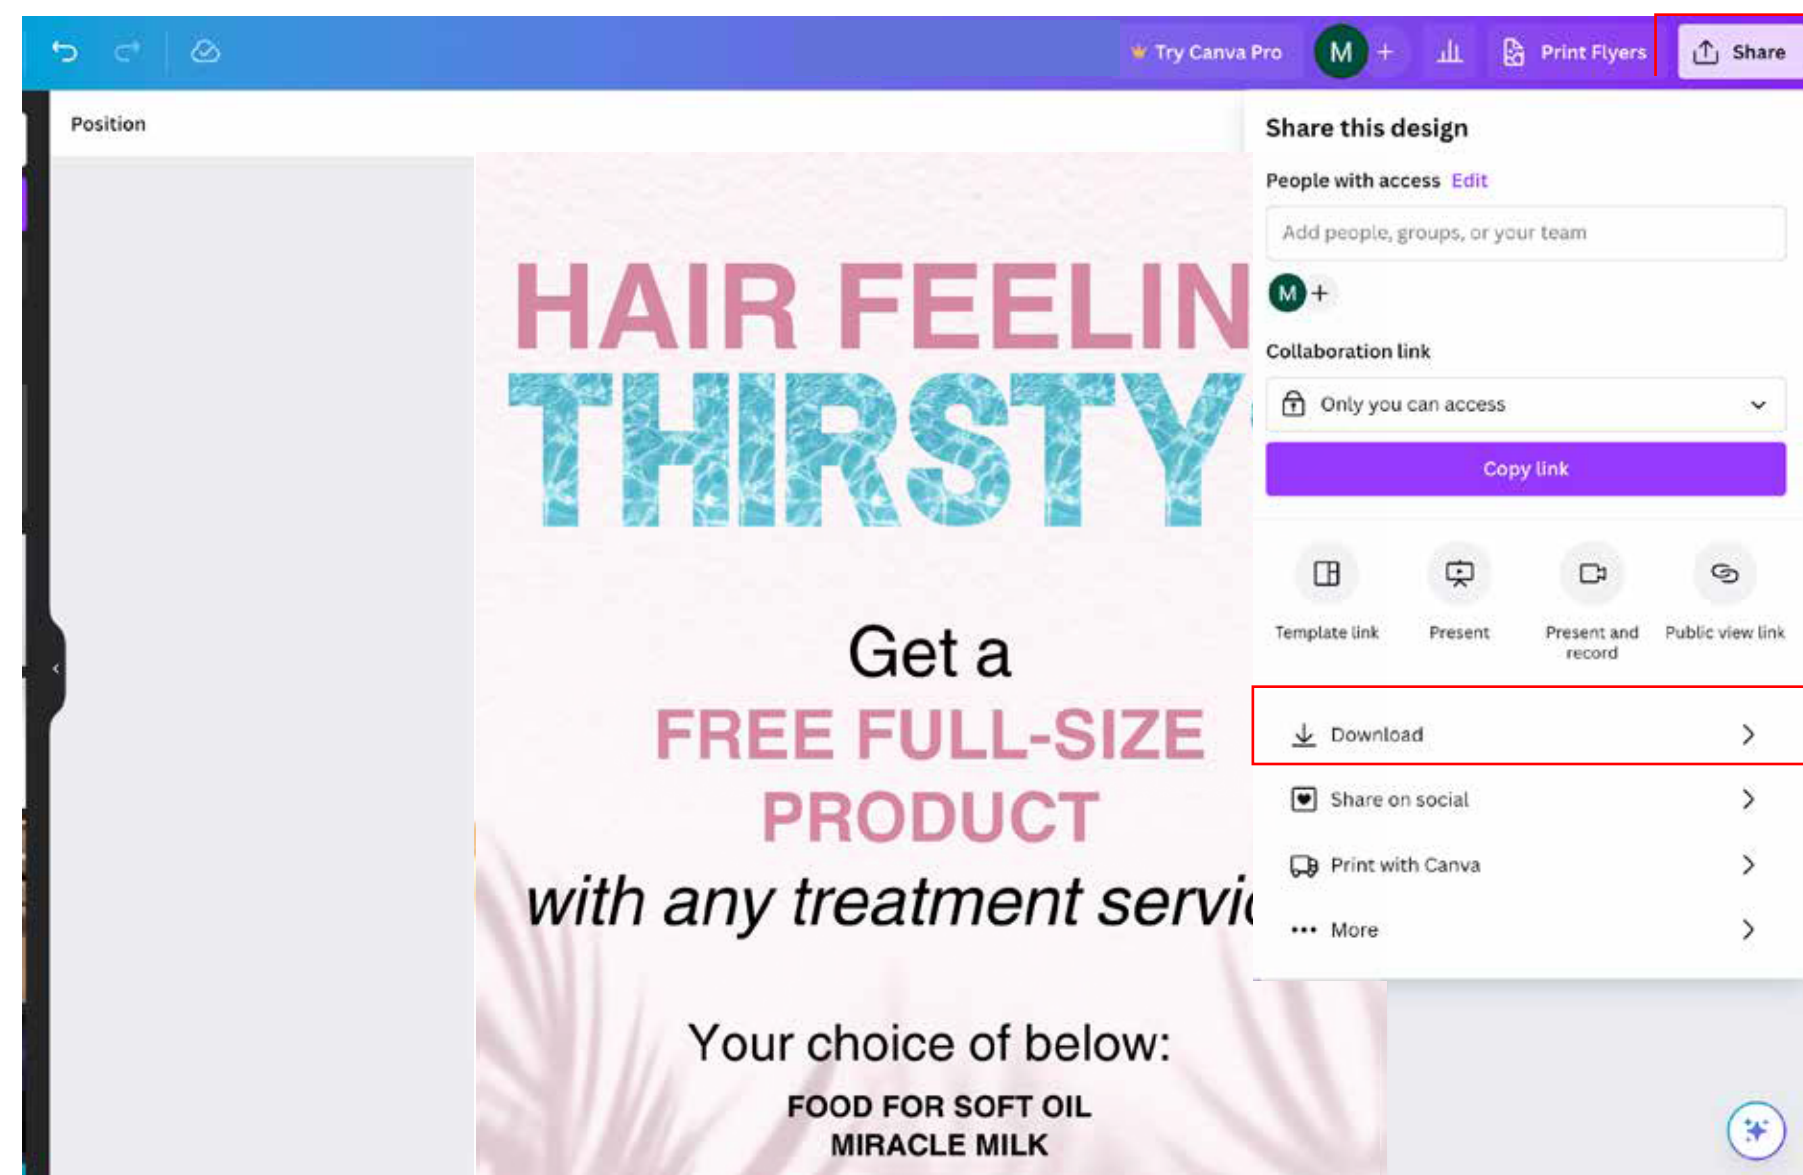

Step 4

Drag and drop your logo from the navigation into the area where the example logo lives and remove the example logo.

Step 5

Select “Share” on the top right then “Download” for additional formats to “save as.”

Step 6

Select the drop-down menu for a list of formats you can “save as.” Fill out “Select pages” to download the signage you need. (PDF Print is best for print).
