What is LEVEL?

A FREE multi-brand loyalty program rewarding salons and stylists with the education and products they want from the brands they already love!

Who's it for?

LEVEL is a program for stylists, students and salon/suite owners to gain rewards from their professional product purchases.

How do I enroll?

Enroll online by visiting levelloyalty.com, in-store, or with your sales partner. All you need is your contact information and distributor account number. Be sure to check your email for account confirmation and updates!

What's next?

Continue to buy your favorite products, earn points and redeem for rewards such as education, backbar, brand merchandise, furnishings, business services & resources and more. Rewards and promotions are updated monthly, with exclusive opportunities to gain bonus points on new classes, items, and brand favorites...coming soon!

Must-Knows:

Points expire 1 year from purchase, so you have time to plan for education classes/events to allow your team to grow. You can gift points to another member to redeem for larger rewards such as education opportunities.
