HIGH SPEED TONER GRUNG3

**SPEED WHEN YOU WANT IT,
CONTROL WHEN YOU NEED IT
DOWN WITH TONING ANGST**

DIRTY PINK (Pink/Blue-Violet base) Provides the perfect dusty, iridescent pink. Cool violet undertones create an intentional lived-in finish. Beautiful on its own or as a pre-tone service before applying our semi-permanent colors for added longevity. Use to enhance naturally warm undertones.

RIOT HACK – Can be used to balance/neutralize unwanted green tones from the hair.

RIOT HACK – Great replacement for discontinued Pale Pink Toner.
