FREQUENTLY ASKED QUESTIONS

IMPORTANT NOTE FOR SALONCENTRIC TICKET PURCHASES. Purchasing TBD tickets with unique email – they are working on fix as we will not have the unique email if the name is to be TBD.

There have been numerous questions on what to recommend to Salons that are running RSOT Contests for their team to win a ticket and what name to use and can it be changed when they know the winner.

They should use a dummy email if they don't know at this stage. We can't allow shared emails due to GDPR/Data Protection as there is personal information in the registration.

We recommend purchasing the tickets under the Salon name, we can change the names on tickets bought for in-house promotions manually. So if you advise any salons who wish to purchase tickets for a promotion, please ask them to use their Salon name, and to contact help@redkenpowernetwork.com to change the names after they have decided who will be using the ticket.
