in-salon classes

creative

foundational classes
that teach styling,
refine skills and
perfect the craft of
hairstyling

**\$2,320 or
154,670 points**

new art of control (styling)

this program translates the
japanese art of folding and knot
tying into picture-worthy sculpted
looks your clients will love

discover:

- utilizing elastic for twisting techniques
- maintaining control with the appropriate use of product
- creating sculpted looks with a partner

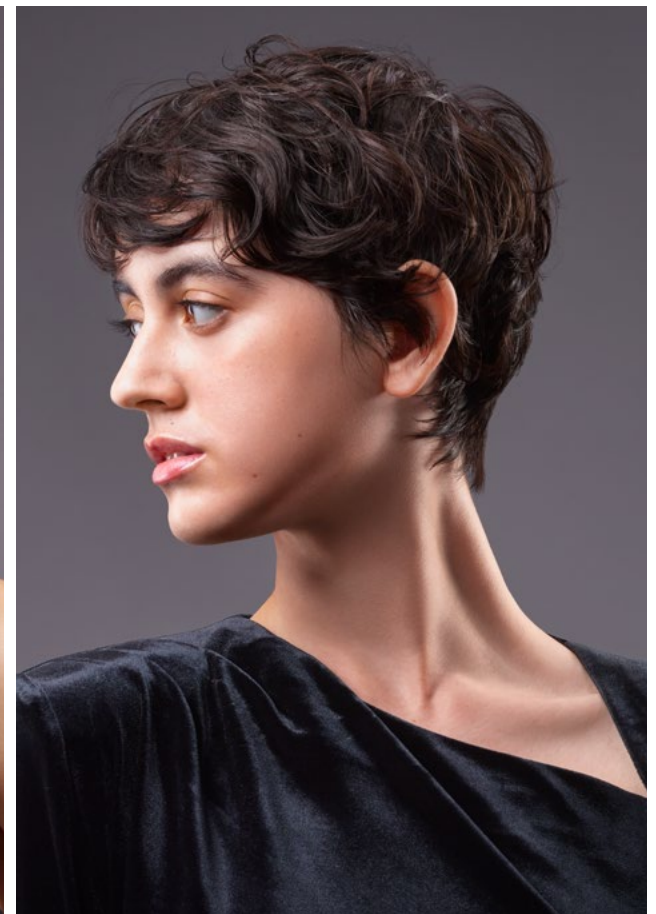

new art of disconnection (cutting)

versatile mid-length cut with
face framing fringe utilizing
disconnection and various
personalizing techniques

discover:

- how to create a piecey fringe with reverse layering
- highlighting features of the face
- the benefits of disconnection

new art of graduation (cutting)

using creative sectioning,
graduation and layering, sharpen
your short hairstyling skills and
expand your creative repertoire for
hair with movement and texture

discover:

- maintain softness in the hairline
- learn to eliminate bulk around the ears
- detailing techniques with the use of a razor

art of blow dry

sleek or voluminous?
shu uemura shares invaluable
techniques to create the
most requested service in
your salon — the blow dry.

discover:

- proper product usage
and application
- finishing tips
- technical sectioning

new art of red carpet

advance your skills with
different setting and pinning
techniques for longevity and
hold. Build a soft, secure and
ethereal look then transition
from one shape to another

discover:

- Creative iron work
- Infinity braid fundamentals
- Twisted knots that will hold
all night

art of perfectly undone

learn how to create one of the
most requested styles: lived-in
hair, from modern styles to
beachy textured waves.

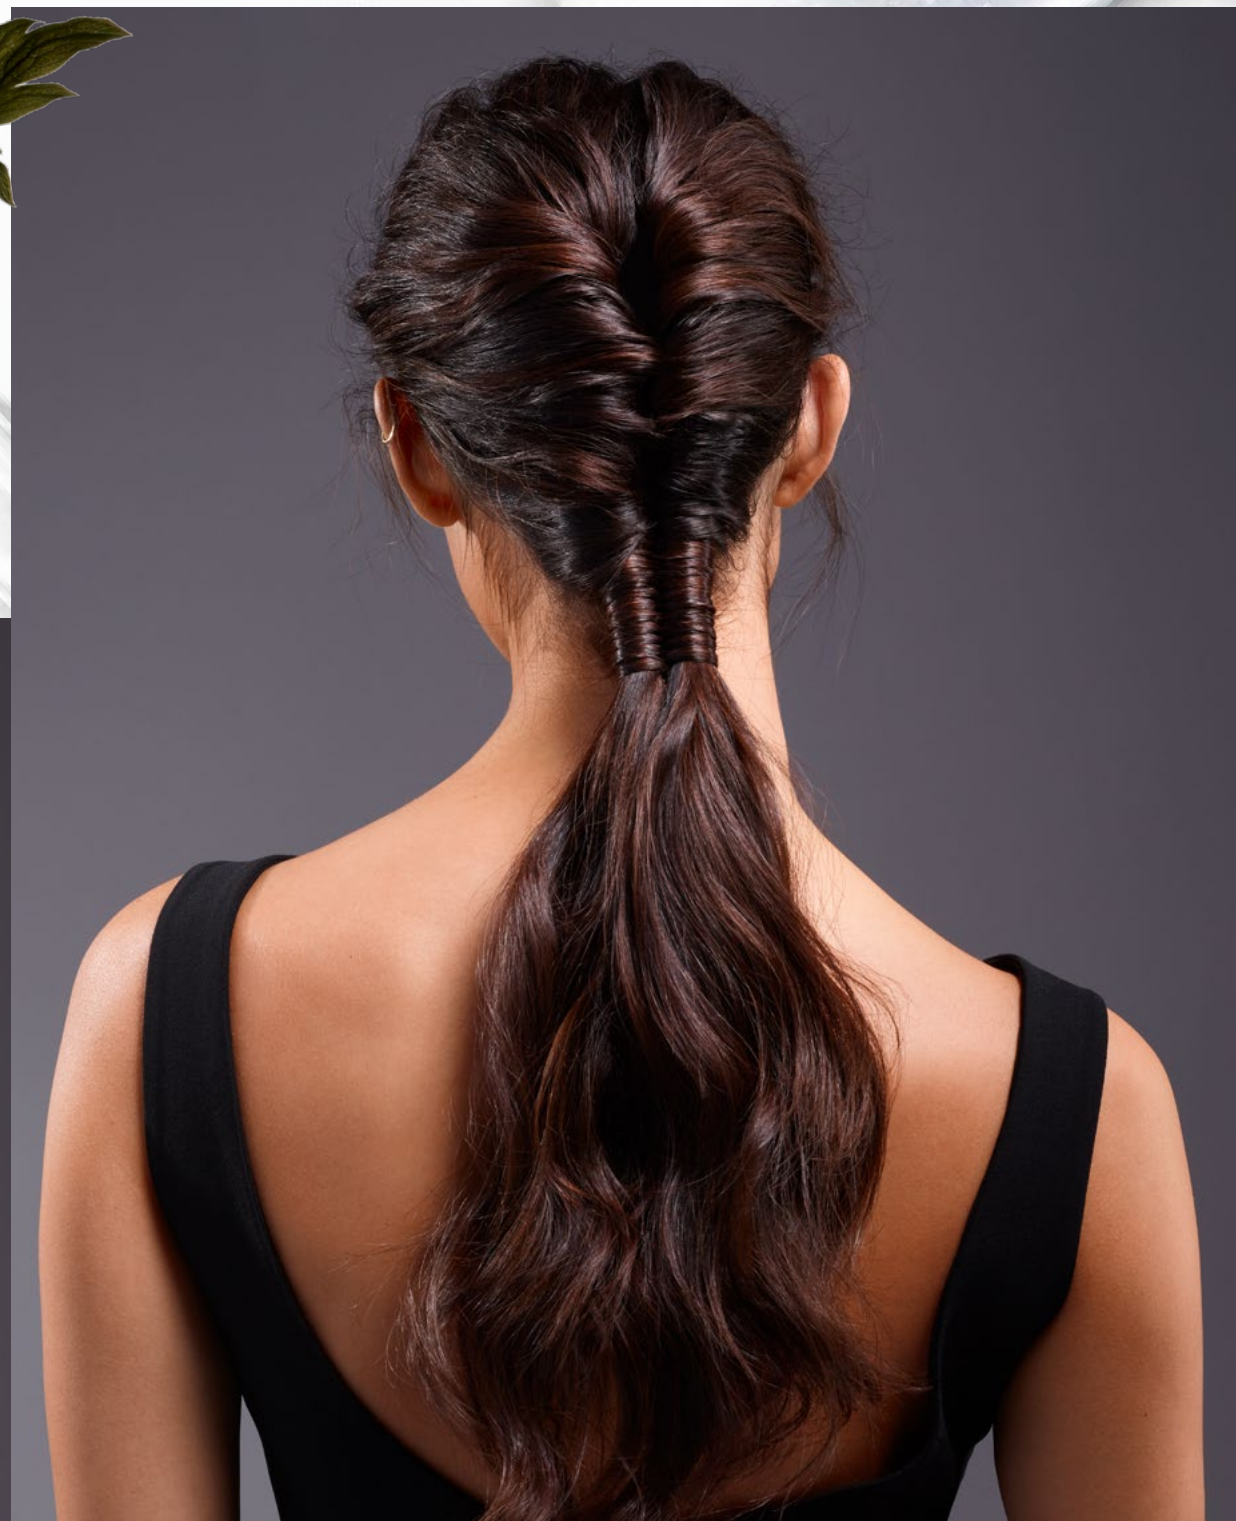

discover:

- varying textures with
multiple products
- craft hair with finger styling
and diffusing
- contemporary iron techniques
and minimal-to-no brush use
